

**McKay Public School Choice Reference List
2018/19**

The following reference list identifies public schools and special programs within Broward County. Seats at each location are limited and will be awarded on a first come, first served basis. For your request to be approved, the school must have space in the student's grade of enrollment and have the ability to accommodate their needs as stated in their most recent IEP or 504 Plan. ***Transportation is not guaranteed*** and is provided based on route availability. You may be approved to one out of boundary public school through McKay per school year. You will receive a response to your request within 30 business days of the District's receipt of your application. If you have any questions, please contact Broward McKay by phone **754-321-3445** or email **mckay@browardschools.com**
